Go placidly amid noise and haste and remember what peace there may be in silence. As far as possible without surrender be on good terms with all persons. Speak your truth quietly and clearly; and listen to others, even the dull and ignorant; they too have their story. . .

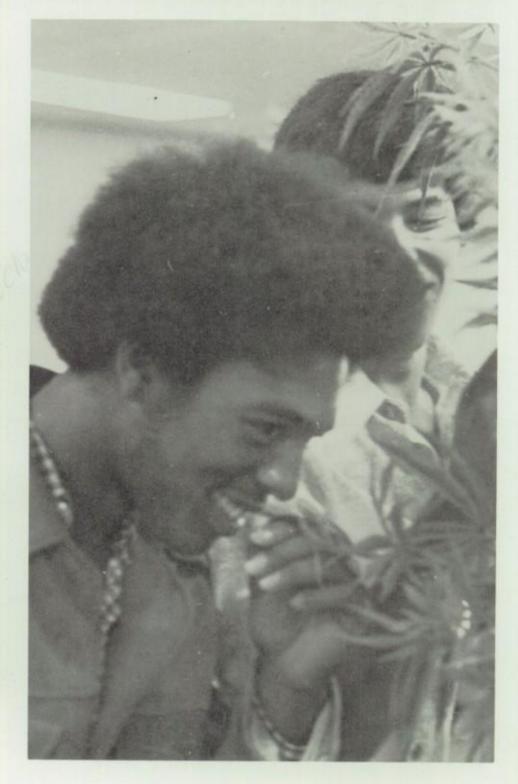

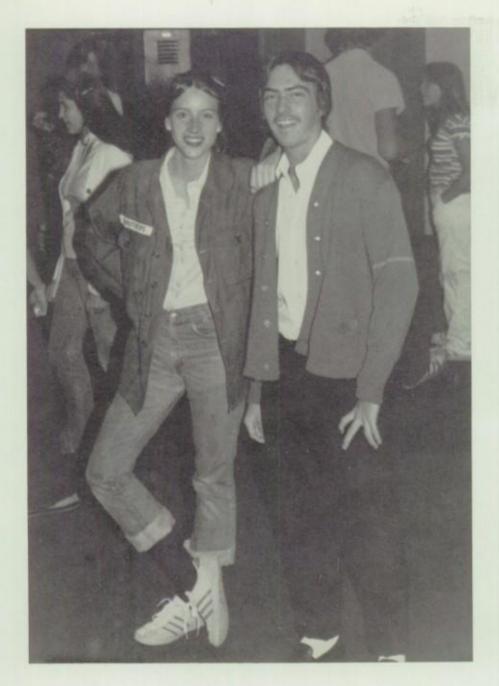

Avoid loud and aggressive persons, they are vexations to the spirit. If you compare yourself with others you may become vain and bitter; for always there will be greater and lesser persons than yourself. Enjoy your achievements as well as your plans. Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism.

Be yourself. Especially do not feign affection. Neither be cynical about love, for in the face of all aridity and disenchantment it is perennial as the grass . . . Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue and loneliness. Beyond a wholesome discipline, be gentle with yourself. You are a child of the universe, no less than the trees and the stars; you have a right to be here. And whether or not it is clear to you no doubt the universe is unfolding as it should.

Therefore be at peace with God, whatever you conceive him to be, and whatever your labors and aspirations, in the noisy confusion of life keep peace with your soul. With all its shame, drudgery and broken dreams, it is still a beautiful world. Be careful. Strive to be happy.

Extravaganza

Let The Sun Shine

On the night of October 19, a strange thing happened in the Fairview gymnasium. Eight choirs, three bands and an orchestra all crowded in, along with a large crowd of admirers. It was the "All-American Extravaganza" put on by Fairview's All-American Fine Arts Department.

Our Marching Knights started off the program with "The Star-Spangled Banner", the first of many all-American songs. The program also included scenes from "Fiddler On The Roof". Everyone joined in to sing the finale, which is why strains of "Aquarius" and "Let The Sunshine In" were heard all over the south end of town.

Homecoming Candidates

Homecoming Queen Julie

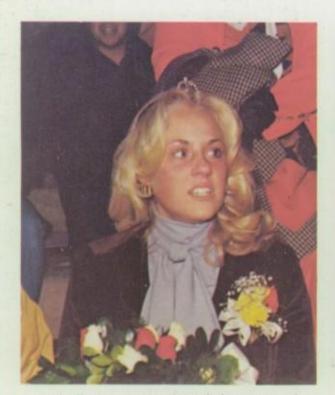

Not one, not two, but three years for the class of '77 to win the Homecoming float competition. Along with a victory in the float competition, there was also a victory on the field. The Knights beating the Gateway Olympians 36-8. The air at Recht Field was filled with excitement as everyone awaited the moment when the 1976 Homecoming Queen would be announced. This year's Homecoming Queen was Julie Foster who was escorted by Rick Foster.

Spirit Week Beat Boulder!

You might have thought you were seeing things when you walked into Fairview during spirit week. This year, the days varied from dressing up like mom and dad did in the 50's to being a Fairview farmer. The week went fast as everyone was awaiting Friday, the annual farmer day and assembly. Getting psyched for the game against cross-town rivals was no problem as once again Boulder High was defeated by the KNIGHTS!

That's the spirit!

Marching Band To the Rose Bowl

This year's Marching Knights started the year early by marching in the Pow Wow Parade and the Louisville Labor Day Parade. Continuing a busy schedule, the band participated in CSU and CU Band Days, the Colorado Bandmaster's Association Marching Festival, and they hosted the Rocky Mountain Invitational. For the 2nd year in a row, the Marching Knights took the "traveling trophy" for the most outstanding unit in the Cinderella City Parade. All of these events, plus football halftimes and promotional performances, led toward one special goal for 76-77, the 88th Tournament of Roses Parade in Pasedena, California.

Musical Fiddler on the Roof

This year's fall musical, "Fiddler on the Roof", was a difficult musical to perform with high school students. "Fiddler" is a difficult, conflicting play where Jewish people in a small town are forced to leave by the changing Russian government. Running for an extra two nights, "Fiddler" showed us that a musical doesn't have to be gay and comical all of the time, and the message was put out to the audience superbly.

Production Crews Behind the Scenes

Another great Fairview play! The actors and actresses, with a sigh of relief, bask in their new-found fame. But there was another group who contributed ideas, time, and energy to the success of the play. A crew of about thirty people, including the stagecraft classes and some volunteers, were responsible for lighting, sets, and props. The running crew, in black, did the moving of the scenery. There were also crews in charge of make-up and costumes. A lot of work was involved for crewmembers, who spent up to sixty hours outside of class helping in the production of the plays.

It's been so great knowing your this year. You're a dear friend to me, I'll alway remember "Fiddler" (Yeah!), Intro. to Theater of one Acts, "Apps Festival 177", + the Thespian Initiation w/you. Those were fun times. Thrank for all of your cooperation + support of me during

Rose Bowl California Marchin'

The Marching Knights have been building for the past few years, and everything came to a head this year as the band spent a fun-filled week in Southern California marching in the 88th Tournament of Roses Parade. The Knights visited several sights while enjoying the California sun (and rain) including Disneyland, Marineland, Hollywood, Universal Studios, Ports o' Call and Manhattan Beach, where they stayed. Fairview's band thrilled the 1.5 million spectators who lined Pasadena's Colorado Blvd., and an estimated 90 million on worldwide television.

Spring Musical Celebration

The Spring Play was quite a departure from the normal fare presented in the past at Fairview in that it was the second musical of the year and also because of the fact that much of the direction was provided by students. The production of CELEBRATION, written by Tom Jones & Harvey Schmidt, was highlighted by lively dancing, vibrant music and an "ensemble" concept of acting that was quite unique.

The production was directed by Jim Neal and Russ Croop with assistance in costumes from Cindi Blankenship. The musical accompaniment was under the direction of Senior Steve Bruns who was the first student to conduct for a major performance from the pit. Beky Majors arranged the choreography; Debbie Roesler and Becci Smalley were responsible for costumes; Frank Hage doubled as Tech Director and actor. The play was "double-cast" so that more people could be involved in the production. Orphan was played by Tony Trumble and Bob Muckle. Melanie Martin & Jann DuBois were Angels. Mr. Edgar Allen Rich was portrayed by Steve Silvers and Keith Campbell. Mike Shavlik "soloed" as Potemkin.

English What's Math???

From Language Development to Old Testament and APE, Fairview's English department offers thirty three English classes. Though the teachers are strange, (i.e. cherry Kool-Aid flavored coffee), most have to have at least a Master's Degree to contend with the math-hating department chairman. Science fiction reels the imagination, Journalism gives Tojo a hard time, and Mrs. Carlson compounds one's ignorance, but all in all, the 800 level offers something for everyone.

You've got to be kidding!

Math Not A Bakery

If you have ever visited the office of the department head, Jerry Faulkenburg, and seen dozens of brownies and cheese cakes piled on his desk from his faithful students, don't be mistaken. This is the Math area and not a second Home Ec location.

This year Math grew to be the second largest department at Fairview. It is made up of nine faculty members. Their goal is to help students acheive skills that may aid them in a future vocation. Various courses were offered from High School Arithmetic to Calculus. And if that doesn't suit your fancy, perhaps you would like to take a course on Computer Programming which is also offered at Fairview.

Science Answers to Why

How do we come to understand the things around us that are sometimes not visible to the human eye? This is what the students enrolled in various classes such as Biology, Geology, and Chemistry attempt to accomplish. Science students are involved in many activities outside of the normal classroom, perhaps the most popular of these being the three-day Bio-Environ field trip.

So, if you come upon a person, nose to the ground, examining an unknown, collecting water from Veile Lake, or wandering through a field collecting weeds, you will probably be correct in assuming that they are science students from Fairview High.

Foreign Language Bridges to Others

Foreign Languages this year taught students more than just another language. Appreciation for different cultures was also emphasized in the classroom and in the clubs, which were integrated with the classes themselves. In addition to these activities, the second year French classes had their own version of "It's Academic." The German students could test their knowledge of the language at a scrabble tournament. There was also a pot luck dinner involving all of the different Foreign Language classes.

Business classes continued to attract Fairview students this year. Record numbers were enrolled in courses such as Business Law, Introduction to Business, Accounting, and the everpopular Typing.

Students taking Business are able to use many types of new equipment including electric calculators and correcting Selectric typewriters.

The business department offers both vocational and non-vocational classes and has a total of five staff members.

Social Studies Past Makes Present

From the CLOSE-UP program in Washington D.C. to the Mock Election at Fairview, the Social Studies covered various political studies.

Students in Intro. classes discussed methods of managing family income, money saving and other consumer matters. By placing themselves in realistic situations, Fairview students were able to have fun and worthwhile learning experiences.

History classes discovered how important the past was and is in forming present methods now used in our country.

Yearbook The '77 LANCE

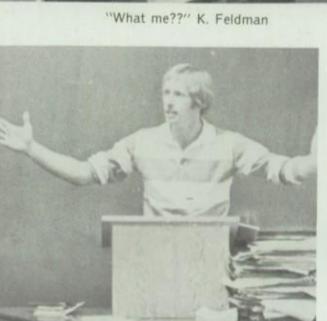

When work is slow, 3rd hour is a very long hour in the quiet confines of the journalism room, where the LANCE staff resides. But 3rd hour can also be very short when Chuck screws up pictures, M.D.&F. loses mugs, or when a deadline is approaching fast. This year's staff was pressured to put out a good on-time annual and break an old Lance tradition by the administration, the publisher, and most of all, the student body. Even after the '76 LANCE arrived in October, one could hear students yelling "Bruns, when are the yearbooks gonna get here?" So with fresh ideas, a fresh staff, and an uncanny advisor, the '77 LANCE started early by attending seminars in Denver and at CSU.

Yearbook, as a class section, offers students a chance to deal with layouts, which are similar to magazine and newspaper layouts, copy writing, and photography. Yearbook also lets one be a part in the making of a history book, one year at Fairview High.

Drama Do Your Own Thing

Fairview's Drama classes helped students gain self-confidence in many different ways.

Communications taught self-confidence by stimulating life situations in class and then putting them to practice. Theater classes helped students learn all the different aspects of putting on a production. Those students who took Forensics or Debate learned how to speak in competitive situations. Other students learned about making movies in Film Making.

Art Be Yourself

Being one's own self is a basic rule followed by Fairview Art classes. Whether it is drawing still life or sculpturing, each student interprets the form in their own way, using their own personal insight. Individuality leads to creativity and outstanding works of art.

Home Ec. Not Just Stitchin'

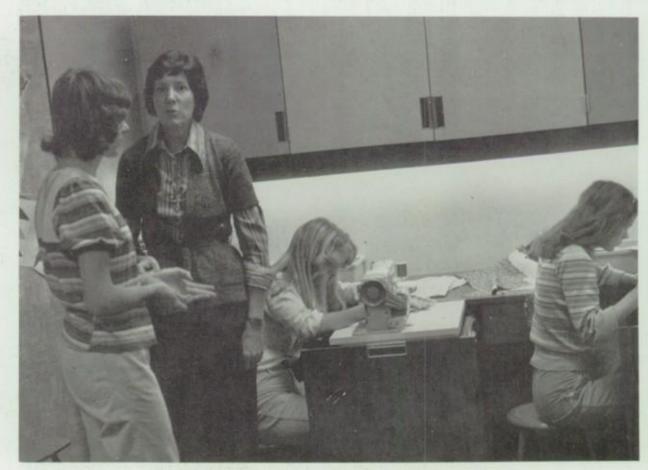

Home Ec is no longer just "stichin" and sewin." Now it offers a variety of courses. One is Child Development, in which the students are responsible for a 7-week pre-school for 15 kids ages four and five. Another class is Bachelor Survival where the boys construct outdoor wear as well as the preparation of food products. Interior classes have offers from around the community to put their knowledge to work. Good smells comes from the Basic Foods and Meals area as they continue to cook throughout the semester. Students in Needle Arts produce impressive and outstanding work that is always appreciated. Involvement and personal accomplishment are the keynotes in this area.

Practical Career Training

Vo-Tech offers many fields of technical education training such as Business, Health, Electronics, and other career oriented classes.

High School students are given first priority to daytime classes, but Vo-Tech is open to anyone interested in developing certain skills, which fills the night courses with persons anywhere from 16-60 years of age.

Many Fairview students are making use of the training at Vo-Tech, knowing it will be much aid in future reference for occupations and jobs. It allows students and non-students to develop skills in their fields of personal interests.

Symphonic Band

Symphonic Band Jeffrey's III

Symphonic Band is the "excalibur" of the bands, made up of the best musicians. (Several members were selected for All-Centennial and All-State Bands.) Along with Nooners and Concert Band, Symphonic Band members also participate in marching band.

Symphonic Band, which met every fourth hour, played a wide range of pieces, from "Scaramouch", featuring the percussion section, to "Nobles of the Mystic Shrine", a Sousa march.

Nooners Jeffrey's II

The "Loony Nooners" of fifth hour had a good time playing enjoyable concert music. They kept in practice for marching season as underclassmen improved for next year's Symphonic band. The Nooners performed at the Winter concert with the other bands. The favorites among their several pieces were "Alla Barocco", "Man of La Mancha", and "Shield of Freedom".

Mr. Gnojek had the Jazz Ensemble 1 performing at Extravaganza, Jazz Festival, in the Student Center with the Denver Kicks Band, and the year-end concert. In addition, Jazz Ensemble 1 played with Excalibur at the CMEA (Colorado Music Educators Association), Pops Festival, and the Jazz Rock Concert. The Jazz Ensemble 2 followed the same basic schedule, anxiously awaiting their turn to be Jazz Ensemble 1 next year.

Age of Guinevere

Age of Guinevere, Girls' Ensemble

Members of the Age of Guinevere and Girls' Ensemble, (also known as the Yellow and Green dress choirs), sang a wide variety of music at each of their concerts throughout the year. The Age of Guinevere was led by Mr. Ron Revier and was composed of 65 members. Officers were Kerry Hansen, Tanda Baessler, Tami Lewis, and Risa Ferguson. Mr. Jim Keller led the Girls' Ensemble, a choir of 46 members. Carolyn Corrigan, Cathy Keller, and Kim Henderson were officers for this choir.

Chivalry, Madrigals Extra Singing Pleasure

Chivalry and Madrigals are two of Fairview's choirs which both practice and perform outside of normal school hours. Chivalry is an all mens choir directed by Ron Revier. These guys sang a variety of music and always seemed to be having a good time doing it. The Madrigals led by Jim Keller, are a more serious type group, and sing music which stemmed from the middle ages. Both of these groups gave performances at all regular choir productions as well as the outside performances.

Concert Choir

Concert choir, led by Mr. Jim Keller, is the largest of Fairview's choirs which specializes in performances of various choral literature. The group of approximately 100 members gave outstanding performances at Extravaganza, the Christmas and spring concerts, and other regular concerts. Officers were JoEllen Chelesvig, Ruth Morrison, Becci Smalley, Jill Adams, and Kim Harrison.

Broadway Show Choir

Broadway Show choir is a group led by Mr. Keller who sing pieces from various Broadway musicals. This group is only two years old and is doing well in performing, including choreography. This year's officers were Jeff Holmstead, Mel Julian, Kipp Lockwood, and Becky Lewis.

Festival Choir

This group, made up of select members, sings mostly difficult music, and is one of Fairview's top choirs. They appeared in several concerts throughout the school year. Festival is led by Ron Revier and officers were chosen at the first of the year. These officers were Myron Crawford, Sandy Matthews, Barb Mallory, Erik van de Boogaard, and Marylida Carline.

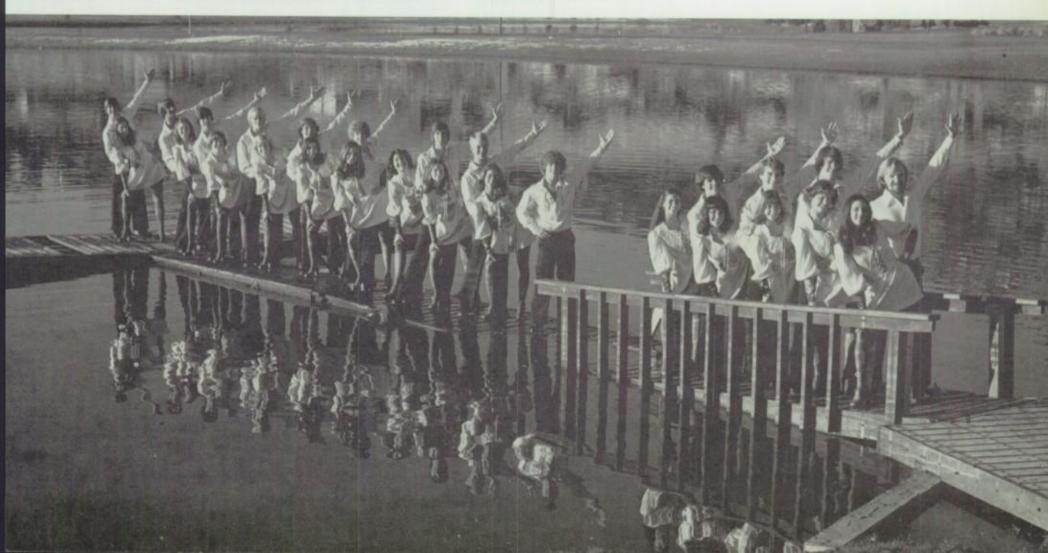

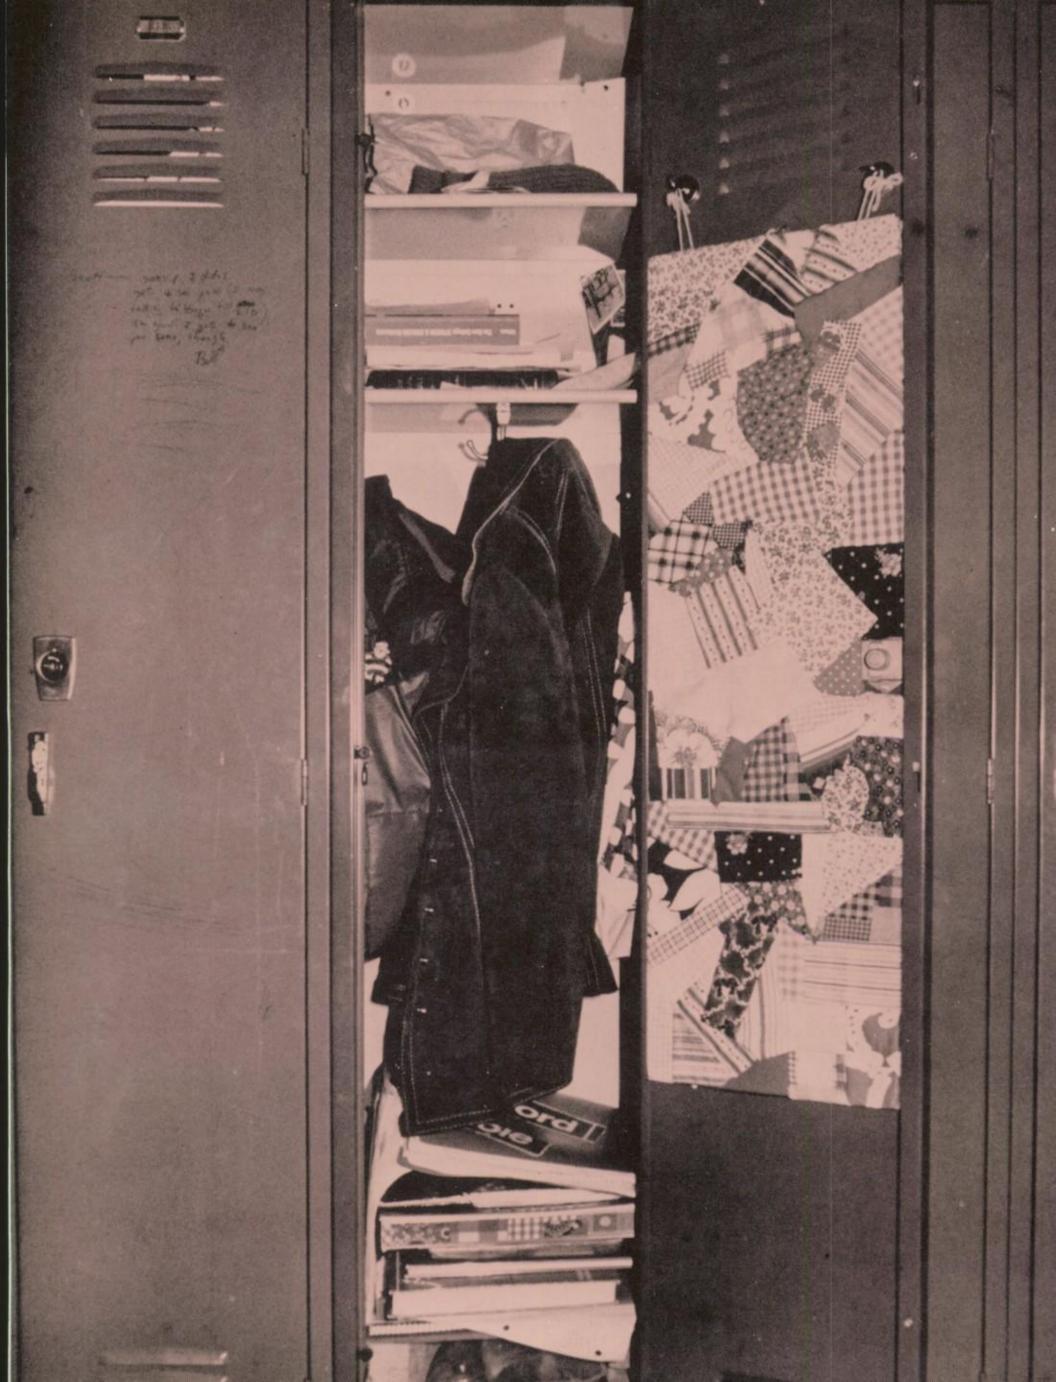

Excalibur

The 26 members of this year's EXCALIBUR continue to dazzle the audiences of both Fairview students and many outsiders. This group led by Mr. Ron Revier is one of the two choirs that give several outside performances to community organizations, service clubs, and banquets. The members choose officers at the beginning of the year. These officers were Lisa Hansen, Tony Trumble, Lori MacDougall, Mark Bergeland, Chuck Johnson, Tina Nielson, and Cecely Wareham.

Executive Council

StuCo's Studs

Executive Council is made up of the sophomore, junior, and senior officers; the Head Boy, Head Girl, secretary and treasurer. This year's Executive Council was sponsored by Ms. Rupert and Mr. Alexander. Eric Hicks and Tammy Perkins, the Head Boy and Girl were responsible for keeping the wheels of student government turning smoothly by acting as chairpersons at the StuCo meetings. Liz Tary's job as secretary of Student Council involved keeping records of StuCo activities and attendance. She also was responsible for taking and typing up the minutes for SIC. Jeff Holmstead's main responsibility as treasurer was keeping records and making reports to the Council concerning its financial situation.

Student Council

Self Determination

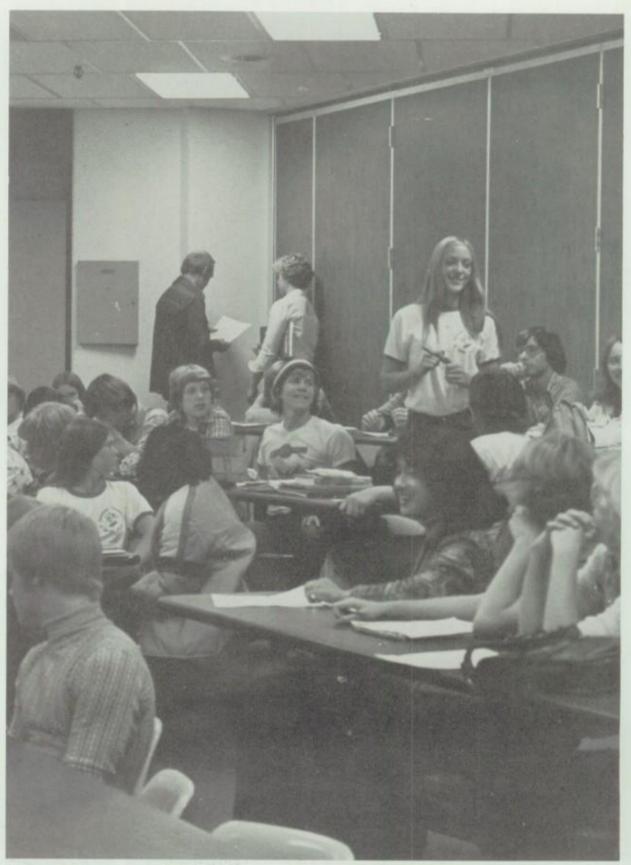

In addition to the serious business, such as running elections and attending meetings every week, this year's Student Council was really into the fun, as they sponsored such activities as the Halloween Disco, the Gong show at Christmastime and Spring Crazy Week. Student Council helped to start off the year by taking part in the sophomore orientation. Then, to really get the ball rolling, StuCo sponsored the first after-game dance and also the Homecoming dance.

In addition to wearing Halloween costumes to school, Student Council sponsored the Halloween Disco and the Mr. Pumpkin Contest. Around Christmas, there was a staff doordecorating contest, an election for Mr. and Ms. Claus, Student Council elves to deliver Christmas cards, and, or course, the Gong Show. There was also a Christmas movie for children and an auction of used articles, with the profits going to the Christmas Fund for the needy.

This year's Council took part in the State Leadership Workshop in Fort Collins. They were involved in landscaping for the school and a school clean-up in March, as well as sending chemistry books to Africa and making a contribution to the Centennial-Bicentennial Capsule.

Fairview Flyers Bend and Stretch

The "Fairview Flyers" is a new club sponsored by cross country coach Roger Briggs. "Flyers" is a group of people dedicated to keeping in shape with a program of running and weight lifting. The club consists mainly of this season's cross country team (with a few exceptions), so if the Flyers keep putting the miles behind them, next year's team should be something to watch for.

It's Academic Isn't It?

The "It's Academic" team was dealt a nearly fatal blow this year when the "It's Academic" television show went off the air and left them to their own devices (and questions & answers). Club members met on a fairly regular basis at the beginning of the year, but then the enthusiasm began to ebb as the year progressed and it became more and more difficult to schedule matches with other teams.

Perhaps next year the team will again find itself a more active organization. In the meantime, here are some teasers to keep them in shape . . .

Besides this, the members of the Spanish Club got together every month for a potluck, where perhaps they ate not gourmet but nevertheless it was Mexican style food. Mr. Hartenstein was the sponsor of the Spanish Club.

Games and Wienerschnitzel

This year's German Club was a very active one. The members of the club and their sponsor, Mrs. Sargent, learned about the German culture with such activities as preparing a "German room" and a German bakesale for the foreign language festival, numerous additional bake sales, and a house made of gingerbread. At the end of the year, the club headed up to a German camp where they spoke only German for the entire weekend. Members of the German club enjoyed learning about the German culture in this way because they learned a lot and had a good time doing it.

Ronoly,

It was fun having you in German Club; too bad you weren't there more often. You always made the meetings so much more fun. I hope you always story as nice as you are and have a good summer.

Senior women were caught in the spirit of being seniors this year and organized the biggest, most active SWC in Fairview history. Starting out the year by electing Matt Hensley as Playboy of September, SWC continued throughout the year with numerous parties and plenty of good times. Highlights of the year were the Turnabout Disco Dance, which was one of the largest dances held at Fairview, and a rowdie postgraduation. Officers were Janet Ball, president; Cindy Martin, Vice President; Leslie Lefferdink, secretary-treasurer. Mr. Jacques was the understanding and overlooking sponsor.

The activities of the Paiges include giving tours of the building, serving coffee at faculty meetings, working in the main office, delivering messages for the attendance office, and participating in community projects. These hard-working girls are easy to recognize in their long skirts and vests, and their friendly manner and smiles. This year's Title Paiges were Debbie Farnsworth, Sue Boselli, and Becky Sangster.

F.H.A. Helping Out in the Community

Remember those girls who sold mistletoe at Christmastime? And carnations for Valentine's day? They were all members of a national organization called FHA, which stands for Future Homemakers of America. This club, which is open to guys as well as girls, goes to conferences where current problems are discussed, as well as help out the community and, mainly, have a lot of fun.

This year, two of our students at Fairview had very important jobs in the FHA. Val Fisher was the district president for the first part of this year and Jean Riehl took over this job in January. This position is held for a year, from January to January, and took a lot of responsibility on the part of these girls.

Key-Keyette is a service organization that raises money for such things as Winter Ball, and for a convention in Georgia during the summer. The club also has the honor of being considered a junior branch of the Kiwanis Club. For being a junior branch, the Key-Keyette Club gets to have two of their members eat with the Kiwanis Club at the Broker Restaurant every Tuesday evening. This year's shortage of white stuff, usually referred to as snow, proved to be a handicap to millions of skiers throughout the state. Nevertheless, the sponsors and crew of the Fairview SKI CLUB loaded aboard the Greyhounds to meet not only the slopes, but also several rocks, tree stumps, and weeds. As the buses headed up the mountain highways and treacherous sloping cliffs, laughter could be heard from inside as the junior boys recited old and ridiculous dirty jokes. But once on the slopes of Aspen and Vail, expressions were converted to those of twisted faces, as pieces of their new skis were left behind on rocks and branches. Despite marginal conditions, however, members of Ski Club enjoyed good times and lots of laughs.

F.C.A. Christian Athletes

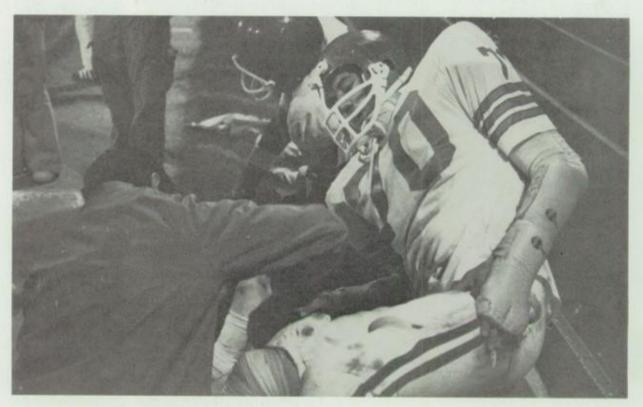

Fairview's "FELLOWSHIP OF CHRISTIAN ATHLETES" organization, under the direction of Coach Dennis Dee, involves athletes of all sports. These athletes participate in Bible studies and Fellowship. F.C.A. is an organization in which fellowship with one another through Christ brings athletes closer together in their personal lives. The athlete learns how Christ can be a part of his athletic experiences as well as a part of his everyday life.

Young Life Fun and Fellowship

Students at Fairview, as well as thousands of students from high schools across the country, have a lot of good fun and Christian fellowship through the Young Life program. Young Life meets every Tuesday night at the homes of the people who are involved in it. Students join together in song, games, discussions, and inspirational talks by leader Tom Milton.

Members of Young Life also have the opportunity to go to Snow Camp, which is a weekend retreat to Silver Cliff Ranch. Transportation is provided in what Tom Milton describes as "Corvette-Stingray" buses. Here the talks by many different speakers, who always prove to be inspiring, add to the growth of the students spiritual faith. Malibu is also a popular resort retreat located in Canada where students involved in Young Life go to learn more about Jesus Christ as well as having fun and many memorable experiences.

I.R.C. Relating With the World

Sponsored by Mr. Dorsey, I.R.C. met once every two weeks. The meetings were held at different members' houses and before the speakers talked, they all joined in the fun of a potluck dinner. Speakers from foreign countries such as Japan, Germany and Brazil related to the group and talked of their different lifestyles. This year the I.R.C. went to the United Nations Convention in Greeley and played the roles of delegates from other countries. Strategic Games Club

To Win a War

The Fairview Strategic Games Society is a new club at Fairview devoted primarily to wargames. The club meets once a week to play fantasy or conventional strategic games. In January, there was a tournament being played with the whole club. Such people as the president of the club, Peter Wilcoxen, and the Vice President, Carl Cowley, were among the players. The sponsor is Mr. Niebur.

Bible Club

"... That You May Gain Wisdom"

A new dimension was added to school for the students in the Bible Study Club. Sponsored by Mrs. Hughes, the Bible Study Club is a voluntary, non-denominational organization for those students who want the support and fellowship of other Christians. Along with studying the Bible, members discussed the ways that the Lord has been working in their lives, participated in group prayer, and sang religious folk songs.

Forensics Speak Up!

Some of the important meets for the Fairview Forensics Team were those at Regis College, C.S.U. and the Jefferson County meet at Bear Creek. The Northern District meet was held on February 24 and 25 and the winners went to the state tournament in March.

The Forensics Team, with Miss Harold as sponsor and Steve Silvers as president, competed in eight categories, which included extemporaneous speaking and debate, along with interpretations of poetry, literature and oratory. Team members also contributed their efforts to the Knight Life radio program.

Thespians Acting Shines

Thespians are a group of actors who form a club which involves persons who are interested in acting and who have spent 100 hours involved in theatre productions, on stage, and behind the scenes. Ms. Majors heads this group of very talented young actors.

Throughout the year, members of the Thespians attend the Thespian State Convention in October; They also took part in banquets and workshops to learn more about the detailed art of acting. Once a year the Thespians put on a Children's play as a fund-raising project. This year's officers were, President, Erik Van de Boogard, Vice-President, Boyd Noble, and Secretary-treasurer, Beky Majors.

Girls', Boys' State & Youth in Government

This year's representatives to Boys' and Girls' State were Jeff Caplan, Amy Paulson, Tammy Perkins and Linda Cordsen. With other students from high schools around the state, these four involved themselves in a "mock congress" and learned first-hand about the workings of the state government.

Youth in Government, an organization sponsored by the Y.M.C.A., is much like Girls' and Boys' State in that young people from around the state, representing various Y's, come together to study the process of legislation at the state level. In both organizations, the students involved made up their own legislation, voted on bills, elected officers and etc. During this year's session, Amy Paulsen was elected President of the Senate.

Student Exchange Club

Makin' Friends

Student Exchange Club is a group for people who are interested in finding out how different schools operate, what type of student council is in function at other schools, or just in meeting people. Mr. Jacques is the sponsor of this club, but members are pretty much on their own in deciding what they want to do and where they would like to visit. The students involved in Student Exchange find this club very interesting and fun. Officers are chosen to head the group each year. This year Mel Julian was the president.

Varsity Football Northern Champs

This year's edition of the Football Knights was definitely a prize group. Though injuries might have lessened the Knights play-off hopes, the team came back after losses to Cherry Creek and Arapahoe and finished the season 7-3, losing the Championship to old nemesis, Cherry Creek. Depth, good attitude, and excellent coaching came through as key positions had to be filled after injuries. One such case was Jim Pollard's good play after stepping in for Tom Zieske. Usually, offense provides most of the excitement in football, but "Dee's defense" went out and "got some scars," providing excitement for the crowd, good field position for the offense, and occasionally scoring some points. Shawn Pinon set the defensive standards, making the All-State defensive team.

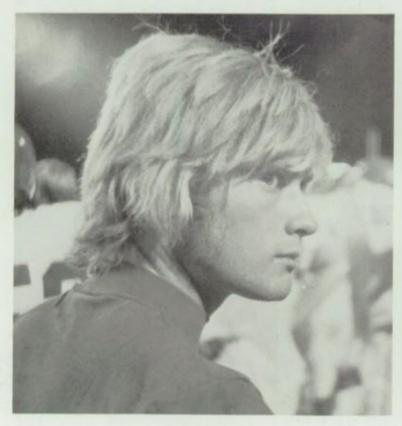

To make the Knights winning season even better, Fairview once again conquered crosstown rival Boulder High in an outstanding game!

Short Season

In an abbreviated season, the JV's finished with a 1-1 record. After dominating Broomfield in their first contest, the JV's found a rough road to Cherry Creek. A lack of depth hindered the Knight's effort, but valuable game experience was gained in both contests. Thereafter, the JV's played with the varsity in preparation for the 1977 season.

Sophomore Football Baby Knights

The Baby Knights enjoyed their finest season in Fairviews' history. They finished undefeated with a 8-0 record. Defeating Cherry Creek and Boulder highlighted a season which showed Fairview's sophomores on top of the Centennial League for the first time. Great defense which recorded 4 shutouts characterized the Baby Knights' play along with a strong ground game on offense. This year's class of sophomores should supply many quality players to the varsity squad next fall.

Under new coach, Roger Briggs, the 1976 Cross Country season was one of rebuilding. At different times of the season, F.H.S. beat every Centennial League school but two and finished 5th in the Centennial League championships. The best time of the season for two miles was 10:37, run by Steve Langer at Sterling. Other top runners were Joe Martin, Glen Ernst, Bob Clement, Pat Carrigan, Dave Langer, and Greg Brittenham. With lots of talented Sophomores, the F.H.S. Cross Country team shows great promise for the next two years.

Fairview's golf team had a very successful 1976 season. They had a goal at the start of the year to do well in the State competition. This goal was met as Fairview pulled through becoming fourth in the state under coach George Hoos.

They had excellent seniors who were consistent throughout the year. At state competition Shaw Wagener finished 8th. Sven Mortberg made four birdies and Bob Haney shot two birdies in the last two holes helping to lead the team to a 4th place finish, 4 shots out of 1st.

Tennis State Contenders

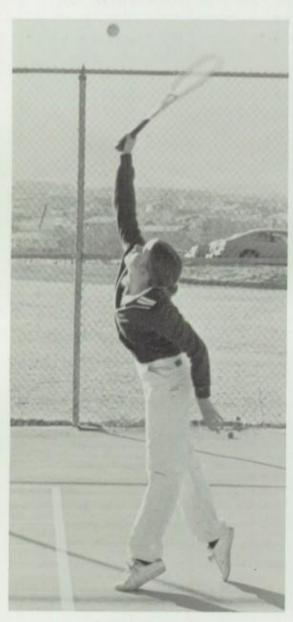

The Knights began their season by winning the "Fairview Invitational" which included Manual and other strong teams from around the state. They then went on to a strong 11-3 season led by co-captains John Wilkins and Pat Dolan at 1st and 2nd singles, and Chris Patterson and Ram Fullen at 1st doubles.

The team finished 3rd at the District tournament and went on to finish a most respectable 3rd at the State tournament in Colorado Springs. At the State tournament the team was represented by Pat Dolan, who finished 2nd in State, and the 1st doubles team which finished 2nd in state. 2nd doubles lost in the first round at state and 3rd singles (Rod Edminston) also lost in the first round.

All in all, the Fairview tennis team had a very successful season with the strong efforts of each member of the team and the coaching of John Speckein.

The girls' tennis team had 5 returning letterwomen this year: Julie Holderby, Diane Floyd, Jana Linfield, Erin Russell, and Laura Wadleigh. The sophomore dominated team, that included 1 senior and a few juniors, will gain valuable experience through competition and will provide the nucleus for a powerful team next year. The preseason conditioning program, comprised of running daily, helped the girls to get a jump on other teams.

At the time of Lance deadlines, Coach John Speckien was looking forward to a good season with district qualifying to be held at Fairview, the advantage of home courts playing an important factor. Season statistics will appear in the Summer Supplement.

Varsity Basketball State Contenders

The 1976-77 version of the Fairview Knight basketball team was a carbon copy of the 1975-76 team which accomplished about everything but going to state, with one exception. The exception was the arrival of Tom Chambers, the 6'9" transfer who, along with Golden Basketball Award winner Jim Feeney, led the Knights to the State Tournament at McNichols. Chambers led the state in scoring all season, finishing with a 26 + average. At the time of publication, it was a virtual certainty that both Chambers and Feeney, hounded all year by college scouts from all over the country, would be named to the All-State team.

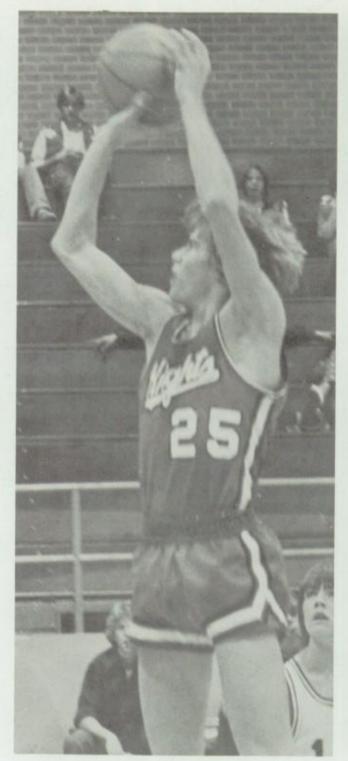

Under the direction of fiery coach Tom McCracken, the Knights breezed through the regular season running up 100 or more points on six occasions and leading the state in offense. Their only two losses came at the hands of cross-town rival Boulder, the last one a double-overtime affair that will be remembered for years as one of the most exciting high school games ever in Colorado.

In the District Tournament Fairview easily beat Heritage and Gateway and moved on to State where they walked through their first two opponents (Fruita and Bear Creek) and moved into the semi-final round against Pueblo East.

They eventually won 3rd place in the state.

J.V. Basketball Boulder-Beaters

This year's edition of the Fairview Junior Varsity, under the direction of new coach Boyd Pickens, ended with a strong 13-5 record which included two big victories over arch-rival Boulder (76-56 and 68-56). The leading scorer (and leaper) on the team was Kirk Rathburn who also dressed with the varsity and received some valuable playing experience which the Knights will need next year when he will be the only returning letterman. Other leading scorers on the team were Jeff Raikes and Jim Pollard who both averaged around 10 pts. a game.

Sophomore Basketball League Runner-up

Under new coach Terry Altenborg, the sophomore basketball team posted an excellent season winning 10 games while losing only 6. Lead by leading scorers Scott Lovrien and Ken Lucas, the sophs ended the season with a strong showing in the Centennial League Sophomore Tournament, losing to Smoky Hill in the championship game.

Golden Basketball

Jim Feeney

Last year, for the first time since the Golden Basketball Award was initiated, it was awarded to a junior, Jim Feeney. This year, again for the first time, the award was given to a player for the second straight year, Jim Feeney, a player whose name has become synonymous with basketball excellence at Fairview.

In his junior year Jim won virtually every award in the state and his only major disappointment was that his team didn't make it to state. This year, thanks in great part to his team leadership and direction, that goal too was realized.

It will likely be a long while before Fairview again has the calibre of player of a Jim Feeney. Most schools, if they are lucky, have only one or two such athletes in their history. Fairview's loss, however, will be someone's gain, for surely Feeney will be bringing the ball up the court for years to come. Good luck Jim!

Girls' Basketball Lady Knights

Beginning with a "self-conditioning" program on November 1st, girl's basketball continued through tryouts and finished the regular season with a 13-3 league record (15-3 overall), and a second place finish in the Centennial League.

First-year head coach Leroy Lesher entered the season not knowing what to expect from the Lady Knights. He was pleased with the 100% effort that was put forth by each player during practices and games. Lesher saw improvement in every player, whether she was a starter or reserve. Individual sacrifice was one element that the '76-'77 team prided itself in. A full court man-to-man pressure defense along with a passing- motion type of offense and the fast break were the strong points of the team. Seniors Jeri Harrington, Susan Skeie, Jody Trynosky, and Debbie Wasson along with junior Sonya Hardy provided the fire-power while seniors Kerry Bush, Lisa Costello, Cheryl Rea, Sherry Slade, Rose Spear and junior Linda Niesen provided the needed "bench power."

At the time of Lance deadlines, Lesher and the team were looking forward to district and state competition and fulfilling their season's goals.

Girls' J.V. Basketball

Junior Jumpers

This was a great year for the girls'
J.V. Basketball team, according to
Coach Eichorn, as they finished the
season with a 15-3 record. The team,
which was made up almost entirely of
sophomores, included such
outstanding players as Shelley
Moore, Debbie Chambers, and Dawn
Harrington. All three of these girls
were also alternates for the Varsity
team. In addition, Susan Ross and
Joan Christenson stood out as
excellent defensive players.

One of the highlights of the season was the Douglas County game. In that game the team scored 78 points, which is unusual for a J.V. team. The girls played Boulder High twice, winning one game and losing the other.

The main emphasis for the J.V. team was the basic fundamentals. They worked quite a bit on basic skills and on an improved man-to-man defense. In this way, Coach Eichorn hopes to lay the ground-work for an outstanding Varsity team.

Wrestling Muscle Mat-Men

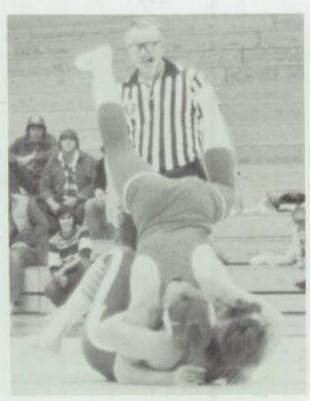

With the help of the new coach Ron Carlson and his excellent assistance Mike Stanley, the wrestling team ended their successful season on a high note. Three boys went to district—all three juniors—Bart Woodiel placing 1st; Peter Yee and George Smith placing 2nd. All three were state contenders, doing well. This showed marked improvement of skills through the season. A homemade ice cream party given at the end of the season, helped encourage the wrestlers to come back next year.

"How'd he do that?"

Bill Gravell "Did you see that?"

Peter Yee "Yeah, I saw that."

Swimming The Double D's

Early mornings were a busy time for Coach Kleine and the girls on the Swim Team. All the morning practices helped to bring two individual swimmers and two relay teams to state. By the end of the season, nine out of eleven school records had been broken, and Fairview had placed fifth in the League and ninth in the state.

Two outstanding swimmers on the team were Dea Ann Rudolph and Debbie Farnsworth. Dea Ann was the state champion in the 200 I.M. She set a state record and her time was good enough to qualify for All-American consideration. Debbie placed ninth in the state in the 100 Butterfly. The medley relay of Laurie Davis, Dea Ann Rudolph, Debbie Farnsworth and Jodee Munn placed ninth in state.

Boys' Swimming Topless Tankers

Once again the Boys' Swim team had a very strong season. Fairview finished 5th in the Colorado High School invitational, they won the Boulder County invitational, were 5th in the conference meet, and finished 7th in state. Seven of Fairview's swimmers competed in the State meet: Brian Smith, Greg Davis, Eddie Gorove, Tom Menhennet, Junior Dave Smith, and Sophomore Kevin Crosby. Brian Smith duplicated his feat of a year ago by winning the 200 and 500 freestyle races at the state swimming meet. All in all, Fairview had an excellent season as they broke. ten out of eleven of Fariview's school records.

Boys' Track Harriers

Seventy-two prospects greeted Coach Altenborg March 1st to open the 1977 season. Nineteen seniors will lead this year's team in a bid to repeat as Centennial League champions. The 1976 team won six trophies, set 15 school records, tied three more and brought home the first-ever league championship.

Seniors being counted on this season include Bryan Ashbee (4th in district 100-yard dash), Mike Rebuldela (5th in 120-yard high hurdles), Jayme McCoy (3rd in pole vault) plus junior, Mike Call who was district winner in the discus as a sophomore.

Girls' Track Harriettes

Miss Jendrick and the members of the Girls' Track team are expecting a good season with five out of six girls returning who went to State last year. Fairview's girls are a very strong team. At the start of the year approximately 40 girls go out and usually 20 very qualified girls remain. This year, with the addition of several excellent sophomores to the team, there will be a better balance between sprint, distance, and field events. Many of the team members are also part of the Boulder Cinderbelles. This will definitely add strength to the team.

In addition to their regularly scheduled track meets, Fairview is hosting the State qualifying meet for the Centennial League.

Baseball Diamondmen

Coach Tom Powell, with six returning starters from last year's league championship team, was optimistic about the 1977 edition of Fairview's baseball team. With such a strong backbone, the "Knights of the Diamond" hope to return to the state tourney and better their 4th place finish of last year. Results and details of the season will be in the 1977 Lance Summer Supplement.

Volleyball Do the Bump

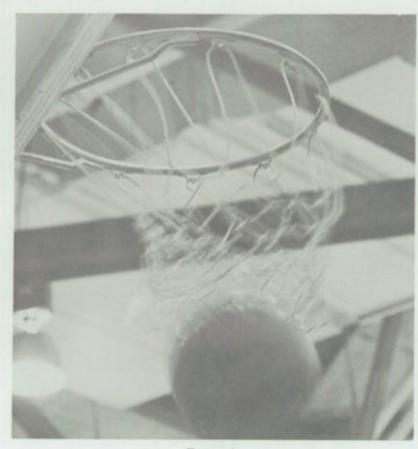

The '76 girl's volleyball team had a 6-9 overall record and 3-8 in the Centennial League, but the juniors and sophomores returning will definitely bring good experience to next year's Team. Coach Pickens, in his first year at Fairview is proud of the team and felt they were very competitive. Says Pickens, who also works with boy's basketball, "We were never blown out of a game, except against the powerful Smokey Hill team, and we never lost confidence." Voni Ray, a senior, and Linda Allen, a junior, were selected to All-League teams, Voni was awarded second team honors, while Linda made honorable mention. "This was definitely a rebuilding year," offered Coach Pickens about the season, "and since we played several sophomores and juniors regularly, we are very optimistic about the future."

Intramurals

.. Mostly Basketball

Due to the rain, the intramural football teams were washed out for the season. Even though their 76'-77' season was shortened, the other 12 intramural events went right on schedule. There were more than 700 students involved in the intramural activities, such as, Basketball, Racquetball, and LaCrosse. Basketball was the standout event of the intramural sports for the year, with the "Converse All-Stars" winning the championship.

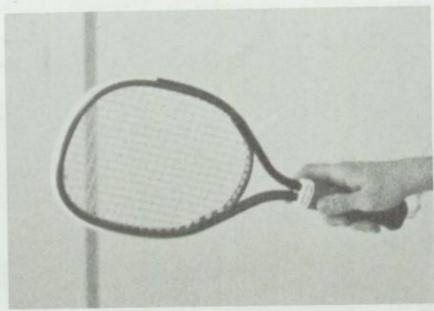

"We play by my rules, Barry."

1976 Soccer Club

Soccer Fleet Feet

Fairview had a soccer club for the first time this year, and although they didn't have much success in their games, they had a lot of fun. The soccer club practiced daily until the snow came. They played Boulder High twice and the North Boulder Junior Soccer team once. The soccer club had a good time this year, and maybe with a little practice next year they will have an even better season.

Rowdy Club Beer and Cheer

The Fairview Rowdies, wearing their red and white hats, were very vocal at many sports events. They always brought clever and occasionally crude signs to basketball games, including Mike Krause's interpretation of the Panzy Panthers, and "Trojans burst under pressure." The Rowdies held many parties, gave Round-the-Corner's FAC plenty of business, and held their own athletic competition: the team BA.

Bob Szymanski and Mary Jane Trimble

Senior Officers

Bob Szymanski and Mary Jane
Trimble were this year's Senior
President and Secretary-treasurer.
They were involved in the many
student council activities throughout
the year as well as senior activities:
the 3rd year winning float, dances,
and certain outside events (Keggers).
This year's senior class was an
excellent one, and these two saw to it
that the class of '77 had a good year
loaded with lots of fun and
memories.

In Memory

Tim and Dan died on Veterans Day Weekend, September 22nd and 25th. The loss was felt by all at Fairview and our memories of them will last long after this book is set aside.

Tim McGinness

Dan Reid

"No man is an island, entire of itself; every man is a piece of the continent, a part of the main. If a clod be washed away by the sea, Europe is the less, as well as if a promontory were, as well as if a manor of thy friends or thine own were. Any man's death diminishes me, because I am involved in mankind. And therefore never send to know for whom the bell tolls; it tolls for thee."

Donne

I have up to Misit Souther sometime call me up and well get drunk Have For and good luck in The fature Ein Miller to play that part in the play again. Dabbie (Halunberg)

SUPPLEMENT

Track Fun on the Run

The girls' team of '77 found its strength with seniors, backed by many juniors and sophomores. The season was highlighted by winning all five tri-angular meets; finishing 2nd in the Boulder County Meet; and placing 4th in the League.

The boys team capped a successful year by sending three district champions to the state AAA meet. Highlights for the season included a fifth-straight win in the eighth-team Mapleton Invitational; winning the Fairview Relays; and capturing the first annual Boulder County Meet.

This year's boys gymnastics team was well rounded and had much depth. The team had 75% sophomores, making a good outlook for next year's team. The only state contender was Jeff Hofgard-on the pommel horse. This was the third year that Hofgard has gone to state.

The girls' tennis team did quite well this year. They were 5th in district play and also 5th in the Centennial League. The 3rd doubles team (Bernice Hall & Erin Russel) qualified for the state tourney. With six underclasswomen on varsity this year, next year's team looks good.

Baseball Varsity & JV

The varsity Knights ended on a good foot this year with a 19-4 record. They were Northern Division cochampions, after losing to Central in the play-off game. Dwayne McGowan, Benny Scarlett, Billy Krumick and Shawn Pinon were picked for all-league team. In addition, Shawn made all-metro team.

The J.V. Knights also did well, with an overall record of 14-4. They tied for Northern Division with Gateway. Coach Tom Smith was pleased with the final results of this year's team.

Fine Arts Children's Play Pops Festival

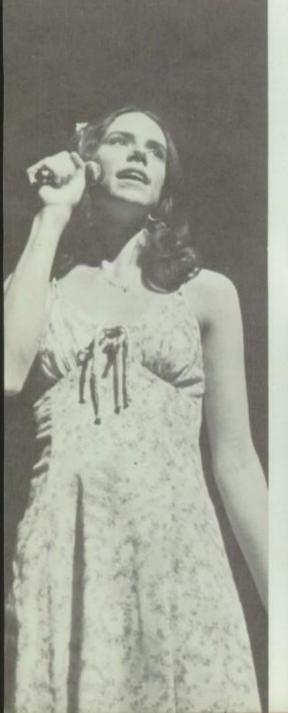

This year's Children's Play was "Snow White and the Seven Dwarfs". It was the Thespians biggest event of the year, and their only fund raising project. Everything was done by the students, under the supervision of Rita Majors. A lot of small, smiling faces came from the doors after each of the delightful matinees.

'Beautiful Music' was this year's theme for the Pops Festival. Featured in the show, along with 20 different musical and comedy acts, were Excalibur, Show Choir, and Stage Band I. The pop-variety show spotlighted over 90 of the school's outstanding performers, showing the many different talents of Fairview's Fine Arts department.

Canon City Blossom Day Festival

For the second time in three years, the football field at Canon City High School became a place of celebration for the Marching Knights. The 260-piece band, directed by Robert Jeffrey, out played and out marched 26 of the best bands in a five-state area to be named winner of the annual Blossom Day Festival. They received the giant Sweepstakes Trophy for their performance in the parade and field competition during the April 30-May 1 festival.

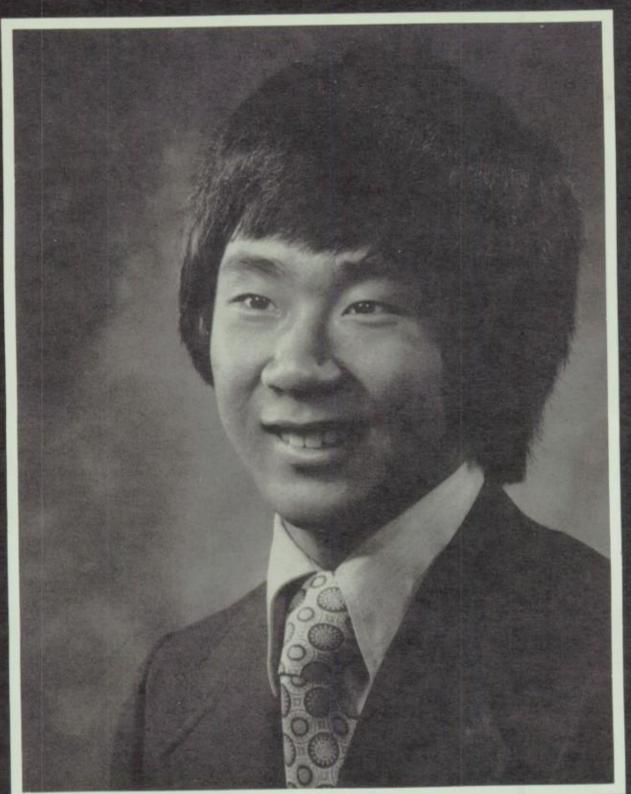

In Memory John Lin Tiao

On March 27, a skiing accident took the life of John Lin Tiao, a Fairview senior. The loss was deeply felt by those who knew and loved him.

John was an honor student who excelled in academics as well as in extra-curricular activities. He played trumpet in marching band, Stage Band I, and concert band. He was a member of Student Council and the "Its Academic" Team. In addition, he was a National Merit Finalist, the only one in Boulder County.

The journey of a thousand miles begins with a single step.

PROM '77

'Evergreen'

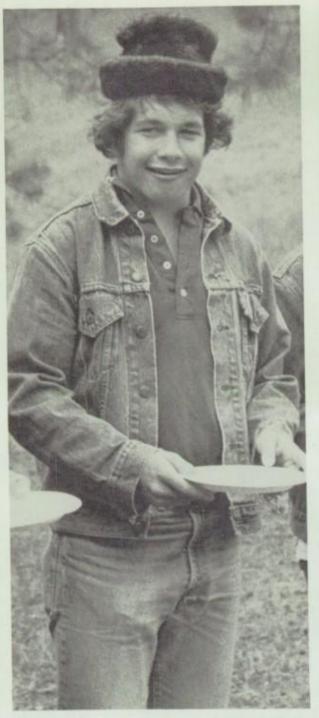

The 1977 Prom was a success!
Fairview was honored to have Shawn Pinon as King and Celeste Nelson as Queen. Many came in multicolored formals and tuxedos, as "Evergreen" was the theme. At Prom, the couples danced to the sound of "Bullet". After prom was filled with dancing at the Elks Club, and many couples finished the event by sitting back and watching the sun as it peeked over the horizon.

Steak Fry And Frolics

The seniors ended their year with the annual Steak Fry. This popular event was held on Flagstaff Mountain. The menu consisted of steak, potatoe salad, bread, baked beans, soda pop, and a generous portion of ice cream. Many seniors attended, proving "The Fry" was a success.

Fairview Frolics were won this year by the faculty, with the juniors running 2nd, the seniors 3rd, and the sophomores 4th. Events included a Skateboard slalom, Egg toss, Tug of War, Frisbee toss, the Swat, and the Three-legged race. All who participated had a great time and thoroughly enjoyed the day's sunshine.
